RE: Public Service Commission of South Carolina
Request for Information on Terminations

Dear Mr. Terreni:

In accordance with David Butler's January 13, 2005 letter, attached for filing please find ten (10) copies of Progress Energy Carolinas, Inc.'s (PEC) First and Second Quarter 2005 Reports on Terminations of Electric Service in South Carolina. Due to an oversight, PEC failed to file the First Quarter Report in April, for which we apologize.

Mr. Butler's January 13, 2005 letter included a request for "Company procedures in effect governing involuntary terminations, including any procedures followed by the utilities to inform customers who faced termination of those regulations and programs which may offer those customers assistance in maintaining their service." PEC provided that information with the Fourth Quarter 2004 report. There have been no changes in those procedures since that report was filed. Unless otherwise directed, PEC plans to file that information in future quarterly reports only if there is a change in those procedures.

Sincerely,

A handwritten signature in black ink, appearing to read "Len S. Anthony".

3) Reasons for involuntary terminations:

Customers were disconnected either for non-payment of electric bills, or for conditions on the customer's side of the point of delivery deemed by PEC to be dangerous to life or property. Totals were as follows:

Reason	January	February	March
Non payment	1,511	1,686	1,778
Hazard	13	8	6

4) Average duration of involuntary terminations:

1.94 days (based on instances in which PEC can confirm that the reconnect is in the same name and same premise as the disconnect)

5) Company procedures in effect governing involuntary terminations, including any procedures followed by the utilities to inform customers who faced termination of those regulations and programs which may offer those customers assistance in maintaining their service:

"PEC Residential Delinquent Account Disconnection Procedures – South Carolina" and samples of PEC's Final Notice and Notice of Proposed Termination were filed with PEC's Fourth Quarter 2004 report. No changes in these procedures have occurred since then.

SC PUBLIC SERVICE
COMMISSION

Dear Mr. Butler,

Please reference the request of the Public Service Commission of South Carolina ("PSCSC"), which was communicated by way of your letter dated January 12, 2005, to Duke Power, a Division of Duke Energy Corporation ("Duke Power"). Duke Power, by way of counsel, hereby provides an original and ten copies of its South Carolina Disconnection Report of Service Terminations for the period April 1, 2005 through June 30, 2005.

All of the requested information is not available, but Duke Power hereby provides data responsive to the Commission's request, with notes to explain the presentation of the data. The following information is enclosed:

- Number of accounts by class (residential and nonresidential) whose service was disconnected either voluntarily or involuntarily, including the reason therefore, during the period April 2005 – June 2005.
- Number of residential and nonresidential accounts disconnected daily for those categories that are known to be involuntarily disconnections, i.e. nonpayment of bill or deferred payment agreement, and fraud or tampering.

Duke Power
South Carolina Disconnection Report
April 2005 - June 2005

Reason for Disconnection	Residential	Nonresidential	Note
Nonpayment	9553	752	
Nonpayment of Deferred Payment Agreement	3236	8	
TOTAL NONPAYMENT	12789	760	(1)
Energy Protection	1476	64	
TOTAL ENERGY PROTECTION	1476	64	(2)
Disconnect Final	7568	863	
Remove Final	440	1832	
TOTAL FINAL	8008	2695	(3)
Disconnect Transfer	4330	97	
Remove Transfer	58	31	
TOTAL TRANSFERRED	4388	128	(4)

The information provided in this report reflects the number of "accounts" disconnected, not the number of customers disconnected. A customer's service may be disconnected more than one time during the period for which the data is reported.

NOTES:

- (1) Customers accounts disconnected for nonpayment remain active for 7 calendar days before a disconnect or removal final order is worked.
- (2) Accounts subjected to disconnection for tampering and/or fraudulent use of electricity. The actual number disconnected is not available.
- (3) Accounts disconnected where the customer did not transfer to a new location. The specific reason for the disconnection cannot be determined but the majority of accounts in this category represent customer requested disconnections. This category may also include a small number of accounts disconnected for safety or contract violations. This category could also include a small number of customers whose service had previously been disconnected for nonpayment, where service was not restored within 7 days and the account was final billed (see report on duration of interruption). Therefore, this number of accounts disconnected may be reported both in the nonpayment category and this category, i.e. counted twice, even though there was only one service disconnection.
- (4) Accounts disconnected where the customer established service at a new location.
